SHYLA JENNINGS

think kink

Hey! It's Lindsey. I'm *positive* you guys will remember Shyla (*Tongue Twisted*, August 2008). The college freshman got tons of letters due to her number-one favorite sexual activity.

You're kind of famous around here, Shyla. Are you still into having your booty-hole licked?

Omigod, my girlfriends gave me *such* a hard time about that! They were all, "That is beyond gross, Shy."

So, you're *not* into it anymore?

Well, they really made me think twice about it. But then I was like, No. If something makes you feel good, and it's not hurting anyone, then it is still awesome, no matter what anyone says.

You know, lots of readers offered to dig their tongues in anytime.

See? My friends are just being lame. They are missing out on some *mind-blowing* orgasms.

You were only just out of high school last time you were here. How did you get so advanced sexually?

I've always been mature for my age, and with sex it was like, right from the start I knew how to do it. Like, when I lost my virginity to my ex-boyfriend, he didn't believe it was my first time! He was *so* mad.

Why didn't he believe you?

Well, he was like eight years older than me, and he had already devirginized a couple of girls, and I guess they were super shy their first time. But *I* was like, "*Whee*! Now let's do it from behind!"

He didn't like that?

No! He said only sluts like to do it doggy-style.

That's *so* unfair.

I know! I had to break up with him, 'cause he would have probably made me feel bad about anything I would want to try in bed. →

Like licking your butthole?
Omigod, he would have probably had me arrested!
You have to admit, rimming is pretty kinky.
Then I guess I'm kinky!
What else do you do that's, like, out there?
I already told you that I dabbled in girls, right? Well, now that I'm in college, my lezzie activities are completely out of hand. Living in an all-girl dorm, it's like a nonstop orgy.
There are lots of lesbians in your dorm?
There are lots of girls *pretending* to be lesbians to be cool. Makes no difference to me. All pussies taste alike!
Do you still like guys?
I love guys. I love cock. And I *especially* love *two* cocks.
What?
Yes, I finally had my first threesome. And it was with two hot guys, not a guy and a girl. I don't mess around!
What was the best part?
Definitely when the one guy was fucking me while the other guy was devouring my ass.
Back to butt-licking!
Always! I'll *never* give it up. ★

DEAR BARELY LEGAL

PANTY CONTEST WINNER

Announcing the results of BARELY LEGAL's October 2008 Panty Giveaway contest! Reader Frankie Dee of Maryland sure knows how to make a girl feel confident about her coochie scent—and for that, he wins Anna Momoi's adorable undies. Congratulations!

Dear BARELY LEGAL,
I've always appreciated and enjoyed that beautiful aroma that reposes between a woman's legs, and also I've been fascinated by seeing up a girl's dress—a kind of taboo or mystery back in the day—and it was such a joy when I'd see a girl's panties.

I'd love to win Miss Anna's underpants to be able to inhale some of her beauty any time that I become horny. I hope she wears them for at least a week to ensure lasting absorption of her essence. I would keep them in a resealable plastic bag to preserve the smell.

I feel that the female human body is probably the greatest invention of all time and emits some sensual scents that are so appealing to all us red-blooded men who love women. I love the smell of pussy in the morning and every other part of the day. Smells good, tastes great.

A pair of girl's underwear is only a piece of fabric until a woman wears them. Then they are blessed and are transformed into an object of pleasure.

Frankie Dee

Hey! It's me, Lindsey. Back in our October 2008 issue, we had a letter from a Michigan reader who called himself "Pissed-off Subscriber" and said we should get rid of all the "D-cup freaks" in the magazine. Even though it wasn't very nice of him to call our jugsy girls "freaks," I asked if other readers agreed with him—and, boy, did you answer! Here are some of your letters:

Dear Lindsey,
This is to answer your question on breast size. It's so sad to hear someone call anyone a freak, and not only a beautiful girl or lady—anyone!

I'm a real tit man, though it's not size that counts, it's sensitivity. Take the September issue:

Sonya, a well-built young lady—I love the way her nipples press against her tank, just beggin' to be sucked.

Lena's pointy, puffy nips, also very sexy.

Anita's, round and full and more than a mouthful.

They're all different and all the same—beautiful. This is what makes BARELY LEGAL the best mag out there. Please, keep showing us ALL the beautiful, sexy, awesome girls you can—and then some.

I think I have every BARELY LEGAL printed. Keep up the good work.

Steve
Colorado

Dear BARELY LEGAL,
D-cup girls are not freaks! I like the fact that BARELY LEGAL shows women with A, B, C and D cups. I love all the women with what nature gave them.

M. W.
by Internet

Dear BARELY LEGAL/Lindsey,
I totally disagree with "Pissed-off Subscriber" in Michigan. They [women] should all be treated equally. So I say don't change a thing. If it isn't broken, why fix it? Just keep them coming.

S. W.
Arkansas

Dear BARELY LEGAL,
Lindsey asked for input from readers about what size breasts they want to see in BL. I subscribe to BARELY LEGAL to see young girls with tiny tits. I want to see flat-as-glass tits—AA and A. If you must include B tits, please keep it to an absolute minimum.

Under NO circumstances should you ever have tits in your magazine that are larger than a B. Every time I see pictures of girls with huge, sagging, flopping milk bags in your magazine, it makes me question my decision to subscribe.

If you insist on publishing sloppy, fat tits, at least publish an equal or greater number of flatties to balance the issue out and prevent me from losing my interest completely.

D. S.
Pennsylvania

Dear Lindsey,
I am now writing in response to that jerk's letter in the October 2008 issue, who called girls with D cups a freak.

First off, asshole, Lindsey and her crew work their ass off to bring us nothing but the best in beautiful young ladies. I have never opened an issue of BL and found a girl with fake tits. However, if they were blessed with D cups, it only sweetened the pot. Prime example: Robin from June 2008. You really think those perfect DD tits make her a freak? If so, you are a flaming asshole. I recommend you for HUSTLER's "Asshole of the Month." I pleasured myself many times to [Robin's] perfect body. I think Lindsey said it best: She has enough boob for two girls.

So, Lindsey and crew, keep up the good work with bringing us natural boobs, no matter what size. One more thing for Mr. Pissed: If you don't like the mag, then don't buy it. Lindsey rocks!!!!!!!

M. T.
by Internet

Dear Lindsey,
About "Pissed-off Subscriber" from Michigan: I agree with you, Lindsey! How "Pissed-off" equates natural D-cup boobs with a stripper is illogical. It's like saying every man who has a penis six or seven inches or bigger makes adult movies. Besides, his mother could have been a natural D cup at age 18.

R. S. C.
Arizona

Dear Lindsey,
I agree with "Pissed-off Subscriber." The *barely* in BARELY LEGAL implies freshness, newness, *not* a degree of nudity. We subscribe hoping to see virginal, innocent young things who have a wholesome appearance. Innocence and freshness are better represented by tiny (almost anorexic) girls with puffy-nippled, A-cup breasts. D cups are gross fatbags.

E. W.
Indiana

Dear Lindsey,
In your May 2008 issue, you had a beautiful girl named Natasha Nice. Those beautiful, natural, 34DD breasts really put me over the edge. Don't listen to a word from the guy who complained about big breasts, because as long as they are naturally large or small and perky, they are all fantastic.

D. J. W.
New York

Hi Lindsey,
You asked readers to respond to the question of whether BL should focus on a particular breast size. I appreciated and support your position. I enjoy BARELY LEGAL because it does not glorify any particular breast size. Too many similar magazines tell us the ideal woman has big breasts or a big butt. BARELY LEGAL honors all young women by featuring various backgrounds, breast size, interests and stories. Continue as you have, and I will remain a fiercely loyal reader.

Mark

Thanks, you guys, for all the awesome feedback! It's so helpful, even when it's super negative. ;) The main thing these letters tell me is, we should just keep doing what we've been doing, and that is showing all different girls of all shapes and sizes—and trying to make sure that every reader gets to see their favorite type of girl at least once an issue. ***—Love, Lindsey***

Dear Lindsey,
In the current issue [October 2008] someone was complaining of too large breasts. I like them all, along with the pretty pussies and lovely butts.

I would like to hear your answers to all those questions you put to the other girls.

G. P.
Michigan

G. P., did you miss our September 2008 and January 2009 issues? :(I answered a bunch of very personal questions. But don't worry—I'm going to do it again soon in an upcoming issue. Do you have any special questions you would like to ask? ***—Lindsey***

Dear Lindsey,
I am a subscriber who absolutely ADORES you!! Every month I look forward to YOUR picture most of all! Your lovely face, hair, eyes, red lips, wonderful tits, suckable nipples, shaved, full-lipped pussy—*pant, pant*!!

Why aren't there any black girls in your magazine? Why no girls with enormous tits?

Nicky (*kiss, kiss*)
by Internet

Perfect timing, Nicky! Check out super hot Jayden Simone in this very issue. Also, we do sometimes have girls with enormous tits—just ask "Pissed-off Subscriber" from Michigan! :) ***—Lindsey***

A BARELY LEGAL TRIBUTE TO THE GIRLS OF THE HILLS

HookedOnHollywood/Splash News

Lauren, Audrina and Whitney: Blowing kisses is *hard*.

Steve Granitz/Wireimage

Hi, I'm Shawna the new intern, and I have a confession: I used to HATE *The Hills*. In case you don't know, it's an MTV reality show about this dumb girl named Lauren Conrad who moves to L.A. to try to "make it," but mainly she hangs out with her friends Whitney Port and Audrina Patridge talking about boys. And that's the whole show. Seriously! I mean, the only reason to watch it is a) if you are suffering from insomnia, or b) if these girls give you a total boner. Personally, I sleep fine, and girls with pea brains don't turn me on. Unless of course they get naked.

Well, guess what? I just found out that right after high school, before she was on the show, Audrina took a bunch of nude photos! (You can see them in the January 2009 issue of our daddy magazine, HUSTLER.) Plus, she's now acting in a movie called *Into the Blue 2*, and you can totally see cameltoe in this photo from the film set!

And then there's Whitney. She had an accidental titty slip—in a totally open dress with no bra while eating at the Ivy, the main L.A. restaurant where the paparazzi camp out night and day.

Maybe these girls are *not* so pea-brained. Maybe, any day now, Lauren will have a little "accident," too. So now I *have* to watch *The Hills*. *Sigh*. The things I do for my coochie!

YOUNG CELEB FANTASY

We sure hope Shawna the intern is right about Lauren Conrad, 'cause Lauren has never even gotten *close* to slipping a nip. Her friends Audrina and Whitney are totally outshining her—even though *The Hills* is Lauren's show!

The main problem? Lauren is too wishy-washy! She's all, "I want to look hoochie, but I also want to look like a grandma." The result is the disturbing outfit you see on the far left.

Lauren, we're your friends. It's time to step up. Show Audrina and Whitney who the real star is. Show us all!

MIA LINA

jill of all trades

photography by teencyberbabes

Hi! Shawna the intern here with high school grad and future cosmetologist Mia Lina. Mia has worked at a car wash, a movie theater and as a gymnastics coach, but she loves having sex, so she's giving porn stardom a shot!

How did you start nude modeling?
My boyfriend thought I should try it. He says I'm the hottest girl on the planet.

He's right, but is he cool with you showing your goodies?
Yeah, he's cool with everything. Even when I decided to try doing porn. I think the idea of having a porn star girlfriend secretly turns him on!

How do you like it?
It's fun. I like exploring my sexuality—and I'm learning a lot about myself.

Do you want to be, like, a huge porn star?
I only plan on doing it for a little while, to pay my way through cosmetology school.

What's your favorite sexual position?
Doggy-style, because it feels great—especially if the guy's penis curves up.

Do you like to give head?
I like to do it. I'm not super awesome at it. I'm trying. It's fun.

Do you like receiving cunnilingus?
I do from girls. Also, I tasted pussy for the first time recently, and it was yummy!

So, you're bisexual?
I like to hook up with girls, but only if my boyfriend's watching—or joining in! ---→

What part of your body do you consider your best?

My butt. I'm into gymnastics, so I'm pretty small all over—except for my bee-hind. :)

Have you tried anal sex?

I tried it once, but my butthole's too tight!

What's the wildest sex you've ever had?

At a skate park at night. It was exciting because the place was crawling with people—and cops!

Have you ever been caught having sex?

Yeah—by my mom! She was shocked, but once she calmed down, she was cool about it. I was already 18, so I didn't get in trouble!

Do your parents know you're nude modeling?

Both my parents know, and they support me 100 percent. They're happy as long as I'm happy. ★

ANDREA

volleyball players do it better

photography by jana krenová

Hi, it's Shawna the intern with high school volleyball team captain and student body treasurer Andrea. She has a ton of friends, but none of them would guess that this super popular class clown is a secret sex fiend!

How would you describe yourself?
Funny, outgoing, goofy and athletic.
What are your interests?
Volleyball, chillin' with friends and flirting with guys.
What kind of guys do you like?
Someone who likes to be as random as me.
Are you seeing anybody?
No, I'm single. I don't mind. I have lots of friends who love me.
How often do you masturbate?
I only masturbate on days that end in "y." :)
What's your favorite masturbation technique?
I like to watch lesbian porn and rub my pussy for like an hour.
What do you think is your best physical feature?
Most guys at school would probably say my boobs. But the guys I've *dated* would definitely say my tongue. ;)
Have you ever slept with someone on the first date?
One time, yeah, but I couldn't help it—it was love at first sight!
Do you like exposing yourself in public?
Yes. Sunbathing in the nude is totally frickin' awesome.
What's the riskiest place you've ever had sex?
In the shower of the girls' locker room.
Was it with another girl?
Yes, it was, as a matter of fact. It was after practice, and we were the last ones in the shower. It started out as her washing my back, then things got weird and sexy.
What's your favorite sexual activity?
Butt sex. It's so much naughtier than regular sex—and it drives guys wild. But I try not to do it too much. I don't want to get addicted.
What's your favorite sexual position?
Doggy-style. Something about sticking my butt up in the air turns me on.
What's the naughtiest thing you've ever done?
Um, besides butt sex? How much naughtier can you get?!
What's your ultimate sexual fantasy?
I don't know if I'm brave enough to try it, but I like to think about guys watching me have sex with another girl and totally playing with their cocks while they watch.
Did you like posing nude?
Yes! I live each day to the fullest, and I never look back. Some people may not like it, but I hope other people will. ★

EDEN AMOR

sinfully hot

photography by mark lit for digital desire

Hi, it's Devon the intern with part-time college student, part-time barista, part-time model and full-time hottie Eden Amor!

What are your interests?
Movies, shopping, hanging out with my friends.
What kind of guys do you like?
Fun, caring and honest.
Are you seeing anybody?
No, I am single again. I'm just looking for a little bit of fun—nothing serious.
How often do you have sex?
Not enough! Maybe once every few weeks I'll hook up with someone, but I don't always go all the way.
How often do you masturbate?
Every day! It helps relieve stress. It can be like therapy after a long day.
What do you fantasize about when you masturbate?
Different things—sucking cock, mostly. Being eaten out by Johnny Depp is high on the list. Sometimes I think about fucking my guy friends, but I feel *soo* guilty about that afterward.

AGE: 19
HEIGHT: 5-6
WEIGHT: 145 POUNDS
MEASUREMENTS: 36C-24-36
HOMETOWN: SUN VALLEY, CALIF.

What do you think is the best part of your body?
Well, as far as what gets the most attention from guys, it's a toss-up between my boobs and my butt. Lately I've been attracting lots of ass men for some reason.
I can see the reason! Have you ever slept with someone on the first date?
Yes. I don't always, but I think if you have chemistry with that person, you should be able to hook up without feeling slutty.
What's the riskiest place you've ever had sex?
In a school classroom, but it was a Sunday, and no one else was around.
Was it with a teacher?
No, nothing like that. But I do like older guys. They know how to treat me like a princess—and in return I treat them like a prince!
What's your favorite sexual activity?
Guys treating my pussy like an all-you-can-eat buffet! LOL!
Do you like giving head?
I love it! It turns me on. Plus, it makes me happy to know I'm pleasing the guy.
What's your favorite sexual position?
Doggy-style. I like it deep—slow and deep. *Mmm....*
Have you ever had butt sex?
Yes. I'm a little wild. I like to try things. Butt sex is good when you want it to be a little bit naughtier—or, I guess, a *lot* naughtier.
What's your ultimate sexual fantasy?
To have sex with my three best guy friends at the same time. That way, I can have one in my mouth, one in my pussy—and one in my ass!
Did you like posing nude?
I loved it! I think naked women are beautiful, and sex is natural, so I don't feel bad about doing it at all. ★

"I've been attracting lots of ass men for some reason."

JAYDEN SIMONE

sex and violins

Hey, guys! It's Devon the intern here with college freshman and aspiring model Jayden Simone. She's sweet and silly and full of pep—and could *not* stop giggling during our interview.

What are your hobbies?
I read a lot. I like to go running. I play the violin—I've played for 11 years. In high school, I ran track and played tennis.

What part of your body do you consider your best?
Probably my boobs. I'm not sure why—LOL!

Do you wear panties?
Not really. Sometimes I will if I'm wearing a really short skirt—and sometimes I won't!

Do you enjoy exposing yourself in public?
To a certain extent. I like getting attention from guys.

Do you like giving head?
Yes! I just feel I'm good at it—and I like to do things I'm good at.

Do you spit or swallow?
I would rather swallow. It's a lot cleaner. I like it when a guy comes down my throat, and I can just chug it.

Do you like receiving cunnilingus?
I don't hate it, but I can go without it. I'm much more of a giver than a receiver.

How do you like to be fucked?
Doggy-style, hard—and call me names!

Have you tried anal sex?
I tried it once, and it hurt! As of right now, I won't do anal. Maybe later.

Are you bisexual?
Yes, I'm bi. I really want to hook up with a girl! I haven't been with another girl, like, one-on-one, but one time I had sex with this girl and her boyfriend. It was crazy!

What kind of girls do you like?
Slim, white, with big boobies.

What kind of guys do you like?
Tall, dark and handsome.

Do you have a boyfriend?
No, I'm not seeing anybody right now.
What's the best way for a guy to pick you up?
Be himself. I just want someone who's real and honest and sweet.
What's your ultimate sexual fantasy?
Um, my *ultimate*, all-time fantasy is making love in the rain.
Did you like posing nude?
Yes, I love it! I was very scared at first, but I love being naked when there's *not* a camera there, so once I got comfortable with the camera, it wasn't a problem. ★

“I like it when a guy comes down my throat.”

LOVE CHANGES EVERYTHING

HOW I FOUND MY HEART AND LOST MY V.

A BARELY LEGAL CONFESSION BY BECCA NEUWIRTH

PHOTOGRAPHY BY DAVE NAZ

I always believed in saving my virginity. God thinks that it's best to wait until you're married. But I think that if you meet someone very, very special, then going ahead and doing it is okay. When I met Braden, I wanted to give him everything.

Braden first arrived one week before my 18th birthday. Mom and I had just come home from church. An old black Mustang rolled up next door, in front of the Bradleys' house. The car was beat up. We're not used to seeing stuff like that in our neighborhood. A stranger stepped out, and my heart stopped beating.

He looked like a rock star, like Pete Wentz but cuter. I'm more of a John Mayer kind of girl—I don't even like emo—but this was love at first sight. The stranger dragged a battered duffel bag into the Bradleys'.

My nosy mom found out quick that he was our neighbors' son. On my birthday one week later, the Bradleys dropped by with a gift for me. Plus, they wanted us to meet Braden. It was awkward because my mom was acting all weird, like Braden was a devil worshipper or something. Yeah, right. When I shook his hand, I felt electricity. After they left Mom said, "They must be so embarrassed. Thirty years old, looking like Marilyn Manson!" As if. He is so not goth!

That night, I looked up Braden's MySpace. He used to be in a screamo band called Waiting On Father. He played the drums and lived in L.A. I made a friend request.

Soon we were IMing constantly. Braden was in L.A. for almost ten years, but the band never made it. Everybody was fighting. The band was his family. His heart got broken by a girl named Sis, a waitress in Burbank. She ran off with a guy who had a part on *Guiding Light*. Braden moved back home to Missouri.

We'd been talking for a week when I asked him if he wanted to hang out. *So* unlike me. I guess when you're in love, you change.

SUGARBECCA90 (that's me): U WANT 2 MEET?
BRAGE (that's him): TOTALLY. WHERE?
SUGARBECCA90: IDK—U THINK THE MALLZ 2 LAME?
BRAGE: NAH I'LL TELL RENTZ I'M JOBHUNTING LOL.
SUGARBECCA90: LOL! I GET OUT AT 3 TOMORROW LET'S MEET: SBARROS @ 4
BRAGE: AWESOME

Then I did the most insane thing.

AGE: 18
HEIGHT: 5-6
WEIGHT: 115 POUNDS
MEASUREMENTS: 36B-23-34
HOMETOWN: ST. CHARLES, MO.

SUGARBECCA90: SO NOW, WHAT IF I PLAYED WITH MY PUSSY?
BRAGE: YES PLEASE.

It was so weird! I was, like, overtaken by this urge to masturbate. I wished I had a camera on my computer, but Mom won't let me. I would have totally shown him my pussy.

SUGARBECCA90: I'M WET AND HORNY. I CAN CUM JUST FROM THINKING ABOUT YOU.
BRAGE: AWESOME

Can you believe me?! I was only wearing my unders and nightie, but I wanted to be naked. I had to get up and lock the door just in case. I draped one knee over each arm of my desk chair.

SUGARBECCA90: MY LEGS ARE SPREAD AND MY NIPS ARE HARD
BRAGE: DAMN MY DICK ACHES
SUGARBECCA90: OMG SORRY!

I guess that's like blue balls. I wished he could be there and I could help his dick not ache. I didn't know exactly what I would do, but I could imagine. I saw some porno at my BGF Ana's, 'cause she's dirty. The lady was doing all kinds of stuff to the guy with her hands and mouth, and then she sat down on his GIANT peen. That gave me some ideas.

SUGARBECCA90: I GOT MY FINGER ALL THE WAY IN MY COOCHIE IT SURE IS TIGHT LOL!
BRAGE: I'D LUV 2 SQUEEZE MY COCK IN2 YR TIGHT PUSSY

"I WISHED HE THERE AND I HIS DICK

No guy had ever talked dirty to me before. Well, no guy had done much of *anything* to me other than French kiss and feel through my bra, but that was on a dare.

My clit swelled up, red and throbbing. Now I could imagine how Braden felt when he said his dick ached. I ached, too. I closed my eyes and pictured him with a boner, lowering himself onto me.

I flopped onto the floor and closed my eyes and dug into my cooch. Braden's IMs chirped. He probably wondered where I was. I imagined him pushing into me, thrusting. I rubbed my pussy hard and fast and squeezed my boobs with my spare hand. I had to bite the shag rug to stop myself from moaning.

BRAGE: I BET YOUR PUSSY IS PINK AND SWEET LIKE A ROSE
BRAGE: WHERE U AT?
BRAGE: CUMMMINGGG...
BRAGE: LOL I'M GOING TO NEED STANLEY STEEMER UP IN HERE...

I climbed into my chair, panting.

SUGARBECCA90: LOL SORRY HAD TO GO CUM ON THE FLOOR.
BRAGE: UR HOT

I couldn't concentrate on anything all the next day. Part of me was so nervous I almost didn't want to go to the mall after school. What if Braden thought I was a slut now that I had masturbated on IM? What if he didn't even show up to meet me?

That afternoon at the food court, I spotted Braden leaning against a rubber tree. My fears disappeared. I mean, yes, I was nervous and shaking, but he was so cute with his jeans and hoodie with a skull embroidered on the back, I wanted to just run over and kiss him right away. But I just walked over and said hey.

"Hey." He wrapped his arm around my neck and kissed me, a long, slow kiss with tongue. For real, I was about to faint. I was the happiest girl in the world,

but scared too that someone would see. If word got around, I'd be grounded for life, even if I am 18. Braden and I would have to run away!

"You hungry?" Braden asked when we were done smooching. He had lip gloss on his face. I wiped his chin with my sleeve.

"Not really," I said. I could hardly breathe. "I've had butterflies all day."

"Let's go then."

We walked to Braden's car, hand in hand. I was so full of joy, I stopped caring if anyone saw. He opened the door of his Mustang for me. He cranked the engine.

"I'll show you where we hung out when I was at Blue Point High, back in '96. So much has changed—I wonder if it's a dump now."

We pulled into the parking lot of the Groves Shopping Summit. "I come here all the time," I said. "There's a Delia's *and* an Abercrombie."

Braden shook his head. "Dude! There was, like, a Sno-Ball Shack and a gas station and then nothing but a bunch of trees." He looked at me and laughed. "I wanted to make out in the woods!"

I shrugged. "If you drive all the way around back behind Pottery Barn, there's some woods left."

Braden pulled the car around. We wandered into a shallow patch of trees. Not a lot, but enough to hide us from the parking lot, kind of.

The ground was spongy with pine needles. The air was cold and the light was fading. Braden snuggled up beside me and planted his mouth on mine. His tongue was hot. My heart felt like popping. Kissing never felt good like this. It was never for real, I guess.

Braden put his lips on my ear. "Suck my dick, baby." Goose bumps crept across my body. He took my hand and guided it to his crotch. I felt his boner through his jeans. My heart pounded—what if I screwed up his BJ?

"Here," he whispered, and unzipped his fly. His boner popped out. It was banana-shaped. "Put it in your mouth." He pushed my head toward his dick gently. I took a deep breath and opened wide.

COULD BE COULD HELP NOT ACHE."

He tasted salty—kind of funky, too, but not in a gross way. Just manly, I guess. His dick was big, but not porno-man scary. I concentrated on relaxing and producing a lot of slobber. The wetter his dick was, the easier it was for me to slide my lips up and down and flap my tongue around. I was worried at first that I would scrape him with my teeth or gag, but I didn't. I was like, Wow, I love giving head!

"You're amazing." Braden pulled my hair.

Maybe I'm weird, but I liked it, especially when he yanked kind of hard. I felt sexy, like I wasn't a clueless little girl anymore. Now I was a woman, and I could really make a man feel hot, and make him come, too.

"That's it—like that—faster," he groaned.

My head bounced up and down. His boner got even stiffer—like, it just stood out super straight for a second and rammed the back of my throat. *Goooooosh*—he came in my mouth.

Well, it didn't make much sense to spit it out to me. His jizz was already dripping down my throat. I didn't think it was gross. It was warm and peppery. I could taste it for hours after, and I liked it, 'cause it was Braden's. That night before bed, I almost didn't want to brush my teeth. But don't worry, I brushed! I'm not *that* disgusting.

Braden and his penis were all I could think about, night and day. I mean, I had already been feeling that way, but after the blowjob it was even worse. I loved him, no doubt about it, and I don't care what people say about how when you're young you don't know anything. I know what love is, and I knew I wanted to give Braden everything.

A few nights later, he IM'd me: WHEN RU CUMMING OVER? MY RENTS ARE GONE ALL WEEKEND. I was like, K. SATURDAY.

I had to convince Ana to cover for me. She's wild, so she would do it, except she was pissed to find out I'd kept Braden secret. I told her in the cafeteria on Friday. She almost choked on her Diet Coke.

"Jesus, Becca, I can't believe you've been hiding this from me!"

"Don't say God's name like that," I whispered.

"Whatever, church lady. You've got a 30-year-old rocker boyfriend—what would Jesus say about that? Anyway, it's awesome you've stopped being such a prude. I'll just never forgive you for shutting me out."

Ana is so dramatic! I rested my head on her shoulder and pouted. "Please don't be mad. I love you! Just cover for me Saturday. I'm at your house all night. Okay? Please."

Ana rolled her eyes. "Fine, whatever. It's for a good cause, but I'm still pissed."

I threw my arms around her neck and kissed her cheek. "You're the greatest."

removed my shades and planted a big, wet kiss on me. He pulled off Ana's sweater and ran his hands up and down my body. "Come on, let's go to my room."

"Wow, you're in a hurry," I mumbled between kisses.

"Just horny." He led me up the stairs to his room. He had a big bed with a gray pinstriped comforter. The floor was littered with copies of *Spin* and even a porno magazine (that kind of bugged me, but I didn't say anything). The walls were decorated with posters of weird-looking guys named Iggy Pop and Darby Crash. I was surprised his folks let him hang those posters, but I guess he's 30, he can do what he wants.

"ANOTHER PUSH, AND ANOTHER, INCH BY INCH, UNTIL HE WAS ALL THE WAY INSIDE ME."

Saturday, I had to do this whole secret spy act. I left my house and drove to the Sunshine Center strip mall a few blocks away. I parked in back behind the Dumpster so that if for some bizarre reason my folks had business at the Sunshine Center, my car would be hidden. Then I walked back to Braden's incognito, wrapped in a hooded sweater I borrowed from Ana and a giant pair of Mary-Kate Olsen sunglasses. It was just about dark by then, so it was pretty hard to see in those shades, but I couldn't blow my cover! I crept up my block, darted to the side of Braden's house and knocked on the kitchen window. Braden opened the side door.

"I can't believe I made it," I panted. Braden pulled me inside,

"C'mon." Braden sat on the bed and patted the spot beside him. I sat. All of a sudden, I was dizzy. My palms were hot and sticky. I wanted to do it, for sure, but I was so nervous! Braden sucked and nuzzled my neck. It felt really good, but I sure hoped he wouldn't leave a hickey.

"You smell so sweet," he murmured. His nose burrowed down my shirt and into my cleavage.

"Jessica Simpson's Dessert," I explained. "It's supposed to taste good, too."

"*Mmm*." Braden unbuttoned my blouse and popped my bra open. My heart raced—I was bare-chested, all the lights were on, and I was about to lose my virginity! Braden pressed his

mouth against my boob and licked my nipple. Warmth spread through my body. It was the most amazing feeling. Seriously, he could have sucked on my boobs all night. It was like my nips were connected to every nerve in my body, especially my puss. It was like I was floating, so I almost didn't notice for a sec when he slid my pants off and I was naked except for my panties.

"*Hmm*," I sighed as he kissed down my belly to my cooch. He didn't take off my undies right away. He nuzzled my pussy through the silky fabric. His nose tickled my clit. My coochie had that achy feeling again. Braden pulled my panties off and stuck his tongue on my throbbing clitty.

Braden held his boner—a big, dripping boner, aimed right at me. With a grunt he pushed the tip into my pussy—it was in, just the tip! Another push, and another, inch by inch, until he was all the way inside me. I gasped—what a feeling! I guess there was a *little* bit of pain, but more than that it was just this sensation of being full, all filled up and brimming on the inside. I bit my lip and breathed as he moved slowly, slowly, then faster and faster. There was so much pressure building. Braden panted in my ear, his hot breath steaming my neck. Then everything got tighter, harder, and then it was like a tiny explosion. He came inside of me.

"Omigod," I gasped. I'd never felt anything like it. It was even better than when he sucked on my boobs! I mean, I feel like my pussy is really small and tight, but when he wiggled his tongue inside there, it's like all my pussy muscles relaxed and felt just, like, *ready*. Like, he could go ahead and put his penis in me and it wouldn't hurt. In fact, it would feel good, because my pussy totally *needed* it.

"I'm ready," I said, my thighs twitching, my hips bucking against his mouth. "I'm ready for you to pop my cherry."

I couldn't believe my own ears! I never imagined I would be brave enough to say something like that, or to do any of these things, like IM sex and BJs and now—*sex? ME*?

We fell asleep, and I swear it's the happiest I've ever been. I had to pull the super spy act again the next morning, which was extra scary 'cause it was daylight, but I made it to my car and drove to Ana's for a shower and change of clothes. I told her everything.

"Okay, that's awesome," she said. "But have you ever heard of birth control? Hello, Juno, hope you're not looking at an unplanned pregnancy."

I guess I didn't think about that, 'cause all I know is that love conquers everything. Anyway, I'm sure I won't be pregnant for my first time. And even if I am, we'll just run off together, me and Braden and the baby. I'm 18 now, I can handle anything. ★

ANGIE

photography by red velvet

Hey, it's Lindsey. Our latest centerfold should actually be called *Nerd* Queen of the Month. Angie is a college freshman majoring in forensic science, she watches the Discovery Channel "to relax," and she's read every single Sherlock Holmes book ever. But not *all* of her activities are dorky....

"I love to give BJs," she confesses. "I'm addicted!"

I was wrong—Angie's a Teen Queen of the Month, all right!

Romantic status: Single—by choice.
Fave hobbies: Reading, learning, sex, watching TV.
Fave book: *Crime and Circumstance.*
Fave TV show: NOT *Bones* or any of those *C.S.I.* shows. They're way too soap opera-y. I watch *Medical Detectives* on TLC for the really cool science stuff.
Sexual personality: I'm a stealth sex fiend! Guys always think I'm shy and dorky when they meet me, so they let their guard down, and then I *attack.* In a car, at the movies, in the school library—I will suck their cock anywhere. They never know what hit them!
Biggest turn-on: Brains.
Biggest turn-off: If someone talks a lot but doesn't have anything to say. Silence is okay sometimes!
First thing I notice about a guy: If he has glasses. He could be a total gargoyle, but if he has glasses, he's hot to me.
Fave masturbation method: I can't believe I'm telling you this, but...I love to watch porn while I play with myself! I used to just, like, rub my pussy and fantasize, which is still fun and everything, but watching a guy with a huge cock slamming into a porny-looking girl with big boobs—omigod, it's *such* a turn-on.
Fave sex position: Doggy-style. I like to be fucked *deep.*
Spit or swallow: Swallow, of course. Like I said, I *love* giving BJs. To me, if you don't swallow, you're not getting the full experience.
To bi or not to bi: I would say probably not. I tried watching girl/girl porn, and it didn't really do anything for me.

TEEN QUEEN
OF THE MONTH

AGE: 19
HEIGHT: 5-7
WEIGHT: 128 POUNDS
MEASUREMENTS: 38C-25-38
HOMETOWN: TRENTON, N.J.

Butt sex, yay or nay: Yay, but it was almost nay. I was too scared to try it until—okay, now you're going to think I'm a *total* pervert—I saw a DVD of a girl getting fucked in the bum, and she didn't scream in pain. So then of course I tried it right away, and I *loved* it. It's so dirty and nasty and exciting. Porn to the rescue once again!

Dream man: Smart, funny. *Different*. There's this guy in one of my labs—he's *super* nerdy and shy—and one day he turned to me all, "Don't you think DNA is so beautiful?" I gave him my best BJ ever!

Reason for posing nude: To keep the people who think they know me on their toes.

Ultimate goals: To be a world-renowned forensic scientist and to have a threesome. ★

Yeah. I don't expect to be, like, Jenna Jameson or anything. I'm just a regular girl. But I love to have sex—and being a porn star looks like fun.
Are you bisexual?
Yes and no. I prefer guys over girls, but girls are sexy. I had never been with a girl before I started doing porn, but I only want to do other girls on camera—for now!
What kind of girls do you like?
Hot, fun, with nice boobs.
What kind of guys do you like?
Bad boys. *Hee-hee.* I like a guy who knows what he wants.
How often do you masturbate?
Not often. Maybe five or six times a week.
What's your favorite masturbation method?
I like to do it in the shower and run the showerhead on my clit full blast.
Do you like sucking cock?
I *love* sucking cock. I give amazing head. I started giving blowjobs way before I started having sex.
Do you spit or swallow?
Swallow. It feels good going down my throat!
Have you tried anal sex?
Not yet. I probably would if my BF asked, but he hasn't yet!
Have you ever had a threesome?
No. I haven't even had sex with three people! The only guy I've ever done it with is my boyfriend.
What's your favorite position?
Missionary. I haven't tried *too* many other positions—just doggy-style and me on top—but plain ol' missionary is my fave.
What's the naughtiest thing you've ever done in bed?
I pretended to be a bad girl and begged my BF to be rough and call me names.
What's the best sex you've ever had?
I'd have to say my first time. It was everything I imagined. But really each time is better than the last.
What's your ultimate sexual fantasy?
Hee-hee-hee. Um, seriously? To have sex with Harry Potter! I'd also love to make love in the rain or on the beach of a deserted island.
Did you like posing nude?
Yes. I'm comfy with getting naked, and I'm proud of my body. The thought of guys jerking off to my picture makes me wet. ★

JADE

bush, baby

Hey! It's Lindsey. I think some of our readers will be happy to see that college freshman Jade has hardly changed at all since the last time she was here (*Pubic Public Eye*, February 2008)—especially in one very important area.

So, Jade—I see you're still not shaving your cooch.
Of course not! I'll probably never shave it.
Why not?
Because everybody else does. I don't want to be one of the crowd.
Is that the only reason?
No, I like being furry down there. It makes my pussy more mysterious. I think some guys like it if your cooch isn't hanging out there in their face, all obvious.
***Hmm*—maybe. I'd like to hear from the readers on that one.**
What did the readers say about me after my first time here?
They mentioned your bush, naturally. They also liked your nipples—which I see are still insane.

I know! I look like I'm in a constant state of turn-on. I mean, I *am* horny most of the time, but not 24/7! It's embarrassing.

Maybe you should try wearing a bra.

It's not *that* embarrassing.

Has anything changed since last year?

A *big* change. Last year, when I made a joke about anal sex? It was to hide the fact that I had never done it! Well, now I've done it a bunch of times, and it is completely awesome.

Were you also joking when you said you didn't get along with girls?

No, that was true back when I was in high school. Things have totally changed now that I'm in college. I like the girls here.

You mean in the lezzie way?

Not yet, but I'm really, really open to the idea. I just hope I find another chick with a bush!

Good luck! ★

"Weekend At The Wilson's" part 2

by Cornell Clarke

September 18, 2005
continued...

Dear Diary,
Well, everyone is still asleep so it looks like I have time to continue telling my story...

Anyway, coming out here was definitely a good idea... Seeing the sunrise and how beautiful everything is around here in San Diego helped calm me down a little. Note to self: remember to go to the beach next weekend.

Sorry about leaving off like that earlier this morning but I had to get out of there. The smell of dick, pussy, and ass was everywhere. If I stayed in there I would never finish writing and probably just end up fucking somebody while they where asleep (now that's a thought)!

Anyway... wait a minute. Shit! Cum is still leaking from my ass and pussy. Fuck!

What a crazy weekend. Good thing Azuka and Jean were here. I would never have been able to handle all those guys by myself (though it would have been fun to try...).

Mmmhhh... breakfast!

© 2008 Cornell Clarke represented by NBM/Eurotica.

Which brings me back to this weekend... After I fell asleep next to Alina, Professor Wilson's wife, I had this crazy dream...

It started with just a single drop of what I thought was cum but turned out to be milk.

When I think of it now... It kind of makes sense with all the crazy shit I had just done with Alina.

When I looked around I found myself to be naked and surrounded by nothing but large breasts of all kinds.

Black ones, yellow, white, pink and brown ones.

Ful of milk.

I was in a daze squeezing each one and drinking as much as I could while letting the rest flow all over me.

It was like I couldn't get enough. The taste was intoxicating just like Alina's...

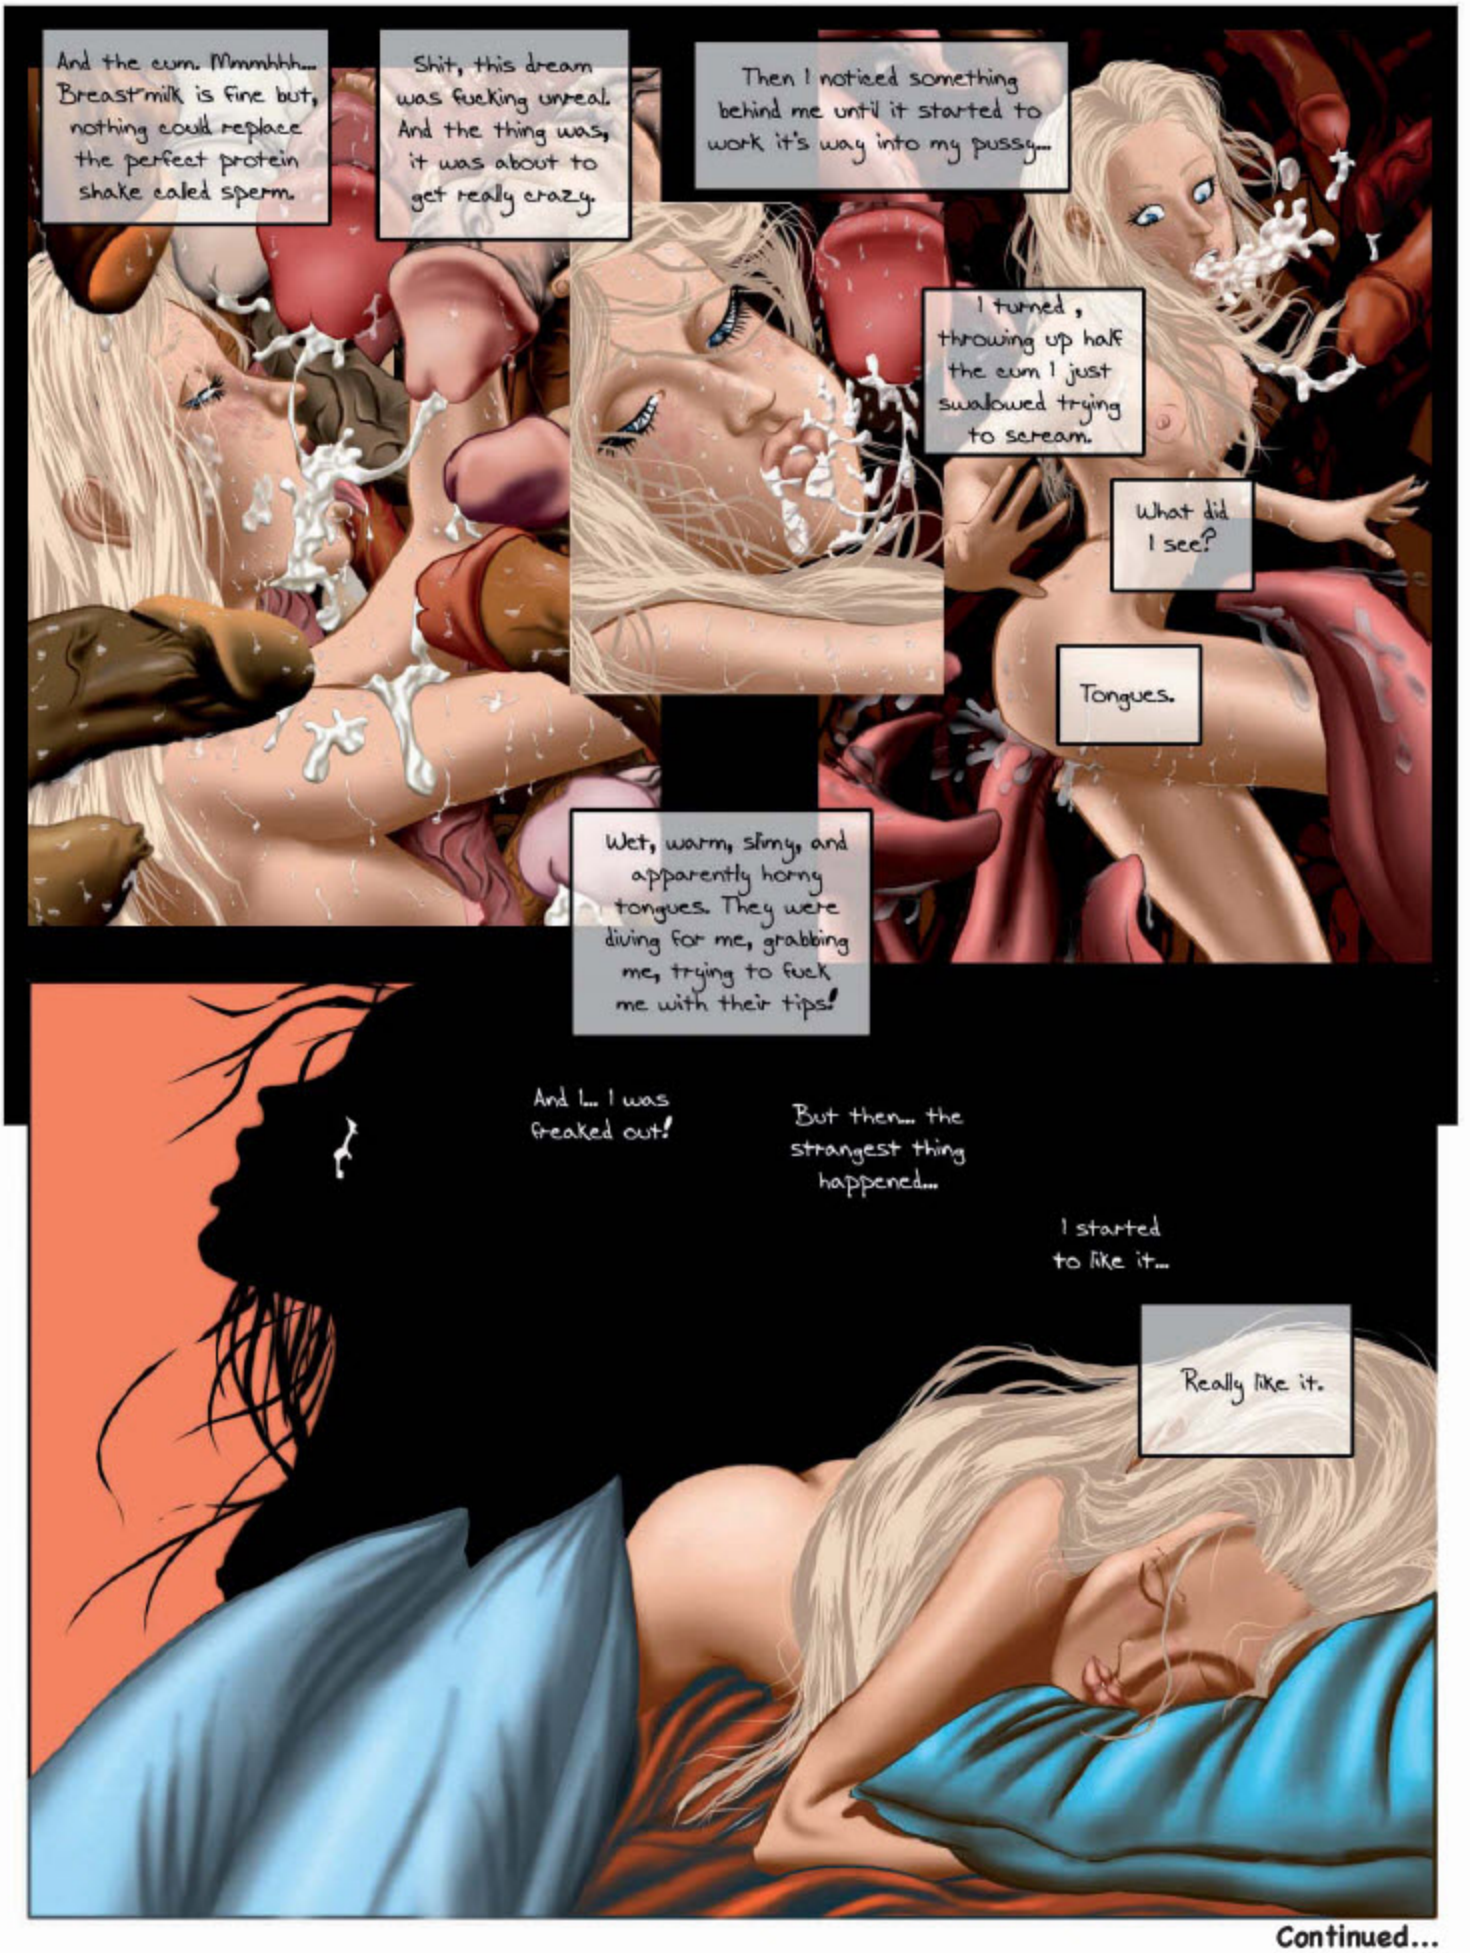
I was dear little Alice and this was MY Wonderland...

There was just one thing.

One other thing in this little heaven of mine that I wanted... I turned and looked over my shoulder and there it was...

Dick.

All the dick that I could ever want. Of all sizes and colors...



And the cum. Mmmhhh... Breast milk is fine but, nothing could replace the perfect protein shake caled sperm.
Shit, this dream was fucking unreal. And the thing was, it was about to get really crazy.
Then I noticed something behind me until it started to work it's way into my pussy...
I turned, throwing up half the cum I just swallowed trying to scream.
What did I see?
Tongues.
Wet, warm, slimy, and apparently horny tongues. They were diving for me, grabbing me, trying to fuck me with their tips!
And I... I was freaked out!
But then... the strangest thing happened...
I started to like it...
Really like it.

REA & MIKI

the ol' college try

Hi! Devon the intern here with Miki, who instigated all the hot lesbian shenanigans you are about to see. BTW, Miki's the one in the white top, and Rea's the one in the blue top—but not for long!

Hi, Miki. Where's your BFF Rea?
She's out on a date—with a guy!
Are you upset about that?
I'm a little ticked, only because I'm home all alone with nothing to do.
So, you guys aren't seeing each other?
I mean, we're friends. Well, friends with benefits, I guess. But we both like guys, so we only fool around when we're, like, bored or whatever.
Have you ever been with any other girls?
No, Rea is my first. I'm all about college now, so I thought I'd try the whole lesbian thing.
What did you like about it?
The kissing, the foreplay, the nipple-sucking, the pussy-licking—obviously. Rea's got a great body, and it's so soft! It was a totally different experience from doing a guy.
Did you like eating pussy?
Yeah, but it was weird at first. I mean, I *know* how to suck a dick. I wasn't quite sure what to do with another girl's pussy. There's a lot more tongue involved. Rea's went numb from licking my cooch!
What's your favorite part of Rea's body?
Probably her boobs. I know that sounds like something a guy would say, but I like boobies. Rea's are bigger than mine. And I loved sucking on her nipples!
How do you feel about sex toys?
Love them! Rea let me use her vibe, and it was amazing! I never had an orgasm like that before.
Would you ever use a strap-on with Rea?
Omigod, that would be awesome. With a guy, I love to do it doggy-style. There's just something so hot about being pounded from behind. That's the one thing that was missing from our little experiment—but all the other stuff made up for it.
Did you like fooling around for the camera?
I sort of forgot the camera was there. Once Rea and I got going, I was, like, totally in the moment. I want to do it again! ★

BARELY LEGAL #87

★★★★

HUSTLER Video. Directed by Erica McLean; starring Arianna Armani, Deena Daniels, Cameron Love, Jayla Starr, Jessica Young, Sascha, Jay Lassiter, Jay Crew, Lee Stone and Cheyne Collins.

White cotton panties, wet T-shirts, itty-bitty titties and awesome BJs—these are the things you totally want to see from, like, fresh-faced girls in the "flower of youth" or whatever, and *BARELY LEGAL #87* is where you can go to see it. The highlight of the *year* for me is natural redhead Cameron Love. She's super cute and very petite, except for her big, juicy ass. You can totally see the guy's hand prints on her butt cheeks as she grinds on him hard. My other awesome discovery is the Ashlee Simpson-esque Deena Daniels. She could be a sword swallower at the circus, she's so badass at deep-throat. And she literally works up a sweat boinking her brains out. Arianna Armani is a sex-crazed blonde with some great curves. She's got more cushion for the pushin', as Sascha slams her from behind. Car-washing hottie Jessica Young has fun with the garden hose and even more fun with the one in Cheyne Collins's pants! Plus, pigtailed pixie Jayla Starr looks sexy in black fishnets and biker boots. The girls in this movie are, like, the cream of the freshman crop. When they're super famous someday, you'll be able to say, "Yeah, I've been a fan since *BARELY LEGAL #87*." See the stars of tomorrow today!

Cameron's all, "Don't go there!"

Cameron enjoys making a mess.

Not even Arianna can keep her hands off that ass.

Jessica's cooling down, but we're heating up.

Arianna's pearly whites are about to get pearlier.

For Jayla, it's just like riding a biker.

JANE

the power of the dork side

Hi, it's Shawna the intern here with high school senior Jane, who describes herself as "dorky, outgoing, mellow and down-to-earth." I guess she doesn't know how hot she is!

What are your hobbies?
Music, movies, video games—like *Guitar Hero* and, surprisingly, fighting games—and hanging out with my friends.
What do you look for in a guy?
Dorky, smart, sweet and funny. I'm pretty shy, so I like guys who are more take-charge.
What's the best way for a guy to pick you up?
Um, just ask me out, I guess. I've never said no to a guy.
Never ever? Not even when he asks for anal sex?
Uh...no one's ever asked! But I probably wouldn't say no to that, either. I might try it. Why not?
What's your favorite thing to do in bed?
Giving head is my favorite thing to do, period. My pussy gets wet just thinking about it.
Where do you like a guy to come?
Anywhere but in my hair!
Do you like receiving cunnilingus?
Yeah, I love the feeling of a tongue on my pussy. It's so soft. But I always always always return the favor with an awesome BJ. It's better to give than receive.
What do you think is your best physical feature?
Um, I guess my eyes. When a guy looks deep into my eyes with that look that says "I want you," it makes me melt.
Have you ever hooked up with a girl?
I fooled around with my best friend once. That was a weird night. I had to return her panties to her at school the next day, but after that we never talked about it.
How often do you masturbate?
Almost never. I have to lock myself in the bathroom to do it. My stepdad caught me masturbating one time, and I was so embarrassed, I almost died!
What's the naughtiest thing you've ever done at school?
Mmm.... One time, I wore a short skirt and no panties. Another time, I peeked into the boys' locker room.

What's the best sex you've ever had?
This is *soo* bad, but I slept with my BFF's boyfriend. The chance of getting caught—and knowing I shouldn't be doing it—made it way more exciting. Sorry, Sarah!

How can a guy—or girl—best make you come?
Talk dirty to me. I like it when a guy tells me all the naughty things he wants to do to me—then does them! Hell, yeah!

What's your ultimate sexual fantasy?
Sex with, like, a really hot stranger—no questions asked.

Did you like posing nude?
Yes, I loved it. It was so hot! I guess every girl has a naughty side—especially me! ★
